- Fully escorted by a Fairway Golf Tours staff member

SCHEDULE

Day 1

The Dunes Golf Links

Ranked #23 in Australia

Summary – Arrive Melbourne airport and transfers to Mornington Peninsula area. Golf at The Dunes followed by transfers to your accommodation.

Set on 300 acres of gently rolling sand dunes, the 27 hole golf facility at The Dunes is Australia's premier public access course. Located in the heart of the Mornington Peninsula "Cups" region, The Dunes maintains the highest standards of course maintenance and customer service, matched only by the very best private clubs. Relaxing day at Coogee or Manly Beach or a peaceful stroll through the Royal Botanic Garden.

Accolades include being ranked among the Top 20 courses in Australia for the past 15 years. The Dunes also consistently ranks as Victoria's #1 public access course and among the Top 3 public access courses Australia wide.

GOLF COURSES

Day 2

St Andrews Beach

Ranked #26 in Australia

Summary – Golf followed by a free afternoon to explore the area.

International renowned golf course architect, Tom Doak, has designed this classic 18 hole 'links' style course on this unique property just 80 minutes from the centre of Melbourne.

The Gunnamatta course is a Public Access course and features some truly dramatic holes and the careful use of natural hazards. Big scale undulations, combined with creases, bumps and hollows are very reminiscent of the ancient coastal courses of the United Kingdom.

The layout is challenging and visually spectacular with demanding second shots to well placed greens often framed by natural amphitheatres. Craggy Tom Doak style bunkering is common on many of the holes and helps to add the course character that people are starting to associate with a Doak designed golf course.

SCHEDULE

Day 3

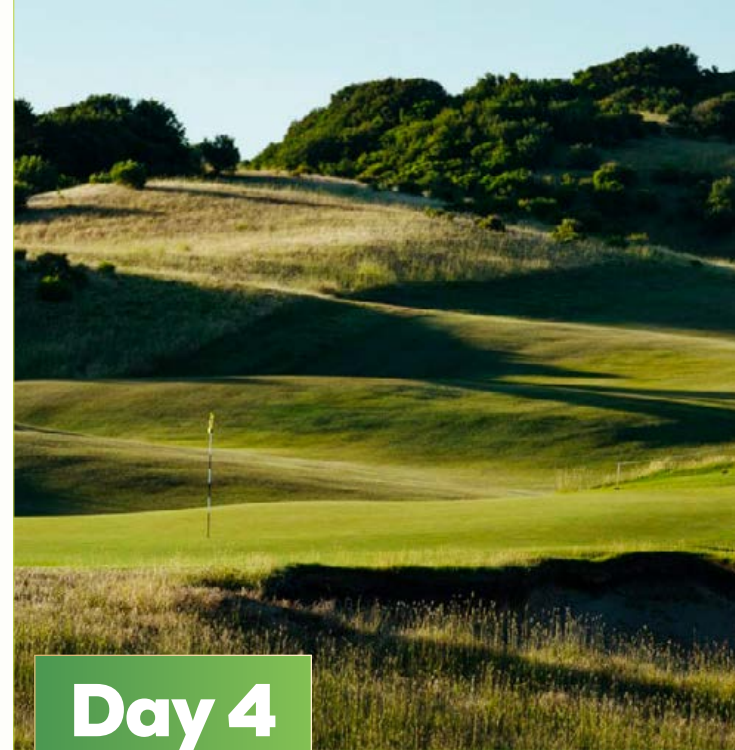

Moonah Links, Open

Ranked #45 in Australia

The Open Course at Moonah Links is the first ever 18 holes built and prepared for a national championship. With exceptional viewing platforms for spectators, it is one of the longest courses in Australia, and probably in the world in this category.

It measures 6783 metres, so it offers more than a casual stroll in the outdoors. It is a mighty and ferocious test of golfing ability, the likes of which even the top pros only occasionally experience. In terms of difficulty, I estimate a club-handicapped player would merit an extra eight strokes assistance to return a net par score, yet the course has great flexibility. It can be played at many different lengths depending on tees selected.

GOLF COURSES

Day 4

Sorrento Golf Club

Ranked #26 in Australia

Summary – Golf followed by a free afternoon to explore the area.

Formed in 1907, Sorrento Golf Club is one of the oldest clubs in the Mornington Peninsula. The course was designed by J.D. Scott and later altered by Peter Thompson. The par 70 layout is an immaculate, undulating course with all year playability set on a sand and limestone base. It is not an overly long course, but there are many challenging holes that require good course management. Its generous Santa Anna couch fairways are surrounded by densely wooded plantations, and bent grass greens are moderately to heavily bunkered.

SCHEDULE

Day 5

The National, Old

Ranked #45 in Australia

Summary - Golf followed by transfers to Melbourne airport for your flight home. Thank you for choosing Fairway Golf Tours. We look forward to helping plan your next golfing adventure.

The Old Course is the original and first of three golf courses at The National. Designed by leading golf course architect Robert Trent Jones Jnr, the par 72 6313m course features a generally hilly layout combining amazing coastal views, challenging ball carries and slick, undulating putting surfaces.

The exhilarating outlooks from virtually every corner of this course are a powerful reminder of golf's ability to stimulate the senses and although now referred to as the 'Old' course, 'Original' would have been an equally appropriate caption, so unique is the experience.

GOLF COURSES

Shells Apartments

4 star accommodation
