Lake Karrinyup

Ranked #15 in Australia

Summary – Golf followed by a free afternoon to explore the area.

Lake Karrinyup Country Club is widely acknowledged as Western Australia's premier golf club, and is now home to the ISPS Handa World Super 6. Just 13km north of Perth's CBD, Lake Karrinyup is a tranquil botanical haven for wildlife including native birds and kangaroos. The championship course is a par-72 layout that winds its way through undulating ground, native gum-trees, and indigenous vegetation.

It is a tough course that has hosted four Australian Opens with many blind tee shots which call for courage. As the only course in Western Australia to have hosted a national Open, Lake Karrinyup has enjoyed decades of recognition as the region's golfing jewel.

The Gunnamatta course is a Public Access course and features some truly dramatic holes and the careful use of natural hazards. Big scale undulations, combined with creases, bumps and hollows are very reminiscent of the ancient coastal courses of the United Kingdom.

The layout is challenging and visually spectacular with demanding second shots to well placed greens often framed by natural amphitheatres. Craggy Tom Doak style bunkering is common on many of the holes and helps to add the course character that people are starting to associate with a Doak designed golf course.
