DAY 04

Glenelg

Ranked #37 in Australia

Summary – Golf followed by a free afternoon to explore the area.

Glenelg Golf Club offers a true world class challenge and is recognised as one of Australia's premier golfing facilities. Strategic design elements and impeccable turf quality provide a memorable challenge for all players experiencing the Par 71 layout. Originally designed by Herbert 'Cargie' Rymill, the course was renovated by Crafter + Mogford in 1998.

Although it has magnificent kikuyu fairways and poa annua greens, Glenelg's bunkering is considered its highlight, as the imposing walls of almost all the fairway bunkers provide little option but to blast out sideways.

DAY 05

The Grange – East

Ranked #53 in Australia

Summary – Golf followed by a free afternoon to explore the area.

The East Course has a very special place in Australian Golf history, having hosted the 1976 West Lakes Classic which was won by a 21 year old trainee professional named Greg Norman. The course is consistently rated amongst the very best in Australia.

Differing in style from the West course, the East has a variety of long and short holes that demand the attention from even the finest golfer. With wet lands and a forestry the east is appealing from a visual perspective and is testament to Norman and his team. The most noticeable feature of Norman's new East Course is the bunkering, with most of the hazards big, deep and boldly shaped to catch the golfer's attention.
